Youth Player Age Divisions / Birth Year and Season Matrix

Effective with the 2026–27 Registration Season

For more information, refer to the FAQ posted on BedfordAC.com.

Please refer to the table below for player age divisions as well as birth year and season matrix. The New Hampshire Soccer Association (NHSA) will return to an age group formation based on Aug. 1–July 31, rather than Jan. 1–Dec. 31, beginning with the 2026–27 registration season. This is in alignment with US Club Soccer, US Youth Soccer (USYS), and American Youth Soccer Organization (AYSO).
